SECTION 1
PLAN INTRODUCTION
Public health and safety are our top priority. To adhere to social distancing and other safety protocols and procedures, a limited number of fans will be allowed in our ballparks for Spring Training 2021.

PLAN INTRODUCTION

The future of occupying our facilities will be different and require all stadium entities to be flexible, adaptive, and resilient to new circumstances.

The Arizona Department of Health Services and the County Public Health Department, the Cactus League Association. The Salt River Pima-Maricopa Indian Community and our spring training Cities have worked together with industry leaders to develop a proactive and consistent base plan across the league that will encourage consumer confidence and a safe and successful experience for all involved. The collaborative approach with our spring training cities will provide the overall authorization necessary to support our facility operators and fans with their specific protocols for their unique operations and arrangements across the league.
SECTION 2
GUIDING PRINCIPLES
GUIDING PRINCIPLES  SAFETY PROTOCOLS & PROCEDURES

The following safety protocols and procedures will be in effect:

**SOCIAL DISTANCING**
Strict adherence to the CDC–recommended 6’ social distancing will be mandated on site.

**FACE COVERINGS**
All guests, ages 2 and up, will be required to wear mandatory face coverings.

**ENTRY GATES**
Each guest will be screened prior to entering the event gates; initial screening will include acknowledgement of signage.

**POD SEATING**
Fans buy tickets as a group. Each pod will be spaced apart from other pods, allowing the venue to maintain the recommended distance between groups (based on government health and safety guidelines).

**QUEUING**
Entry and exits to the seating, along with routes to concession stands and restrooms via the concourse will adhere to social distancing guidelines.

**CLEANING & DISINFECTING**
Clearly identified cleaning staff will be cleaning or disinfecting at all times.

**HYGIENE PROTOCOLS**
Handwashing and hand sanitizing stations will be placed throughout the ballpark.

**POINTS OF SALE**
Limited concessions and merchandise will be available for purchase via cashless transactions wherever possible.

**ACCOUNTABILITY**
Attendees must comply with instructions of ballpark personnel and health authorities, including any instructions to leave the ballpark or temporarily quarantine or isolate somewhere in the ballpark.

Spring Training Occupancy Plan Revised February 10, 2021
### ADMITTANCE

If you answer “yes” to any of the below questions, you will be denied entry into the ballpark.

- Have you experienced any of the following symptoms in the past 48 hours: fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, diarrhea?
- Within the past 14 days, have you been in close physical contact (6 feet or closer for at least 15 minutes) with a person who is known to have laboratory-confirmed COVID-19 or with anyone who has any symptoms consistent with COVID-19?
- Are you isolating or quarantining because you may have been exposed to a person with COVID-19 or are worried that you may be sick with COVID-19?
- Are you currently waiting on the results of a COVID-19 test?

Attendees who display any of these symptoms may be denied entry to the ballpark or, if the already inside the ballpark, may be required to leave.

- Shortness of Breath or Difficulty Breathing
- Cough (new onset or worsening)
- Fever (felt feverish or warm)
- Headache
- Chills
- Sore or Scratchy Throat
- New Loss of Taste or Smell
- Muscle Pain
- Nasal Congestion
- Runny Nose
- Nausea or Vomiting
- Diarrhea
- Gastrointestinal distress or upset stomach
- Fatigue or Weakness
- Swelling of the toes or lower extremities
- Chest tightness or pain
- Swollen lymph nodes or glands
- Abdominal pain
- Rash or “COVID toes”

Fans are not permitted to enter the ballpark if:

- You or a member of your pod has been exposed to COVID-19 or is feeling ill
- Tested positive in the last 14 days
- Have been identified as a potential carrier of COVID-19
- Experienced any symptoms (see list of symptoms)

FAN SAFETY PROTOCOLS
INFECTIOUS DISEASE EMERGENCY RESPONSE PLAN

WORKING STAFF

- ISOLATE INDIVIDUAL & SEEK MEDICAL CARE
- NOTIFY LOCAL PHYSICIAN
- CONTACT TRACING INVESTIGATION
- NOTIFY CLOSE CONTACT WORKING STAFF
- DISINFECT ALL EXPOSED AREAS

TICKETHOLDER

- ISOLATE INDIVIDUAL & SEEK MEDICAL CARE
- NOTIFY LOCAL PHYSICIAN
- ESCORT INDIVIDUAL OUT OF BALLPARK
- DISINFECT ALL EXPOSED AREAS

INFECTIOUS DISEASE EMERGENCY RESPONSE PLAN

FALLING ILL IN STADIUM

There will be a dedicated isolation area to provide treatment and transport of any fan(s) developing symptoms during the event. All fans in the associated pod will be instructed to leave. Disinfecting/decontamination capability will be available for immediate on-site response. Local public health officials will be notified of the potential exposure.
PERMITTED

PROHIBITED
- List
- Prohibited
- Items

MLB SPECIFIC RECOMMENDATION
(World Series 2020)
- To reduce touch points between employees and guests, no bags will be permitted except for those that are carried for medical reasons or manufactured diaper bags that accompany infants and young children.
- Facilities that chose to adopt a more permissive bag policy must ensure that staff members inspecting bags are at least six feet from fans or divided by plexiglass, are wearing gloves and surgical masks or N95/KN95 respirators; and use a probing tool rather than their hands to search the bag.
### SERVICE & OPERATIONS AREAS OF FOCUS

<table>
<thead>
<tr>
<th>SECURITY</th>
<th>FACE COVERINGS</th>
<th>SOCIAL DISTANCING</th>
<th>TICKETS</th>
<th>SEATING POD INTEGRITY</th>
</tr>
</thead>
</table>
| • Signage and decals in all traffic pattern areas  
• Education announcement and videos  
• Warning paddles/signs for ushers/security personnel (allow up to three warnings)  
• Refer additional enforcement to stadium security or onsite law enforcement on a case-by-case basis.  
• Any guest refusing to wear a mask or follow any other established protocols will be instructed to leave the facility. | • All guests, ages 2 and up, must always wear a face mask/covering over their nose and mouth on ballpark property other than when actively eating or drinking at their ticketed seats.  
• Facilities retain discretion to make exceptions for individuals who cannot wear a face covering for Medical reasons | • Capacity at the ballpark will be limited to maintain social distancing. All seating pods will be seated at least six (6) feet from any other seating pod. Attendees must adhere to the specific circulation plan to maximize six (6) feet social distancing and limit contact while on ballpark property. | • See individual ballpark box office policy and procedure  
• Lawn Strategy: Mark and label lawn pods a minimum of 6’ apart and assign group tickets to each labeled pod.  
• Hospitality and Group Areas: Capacity to accommodate social distancing | • To ensure appropriate social distancing is maintained, attendees must not sell, transfer or otherwise provide any of their event tickets to anyone other than family (or other trusted acquaintances) with whom they have been sheltering, unless they are selling transferring or otherwise providing all such tickets (i.e., the complete pod of tickets purchased) to a single party. |

Hand sanitizing stations throughout the ballpark & eliminate touch points where possible (CC only).
Cactus League jurisdictions stand united in providing a safe and successful spring training experience for all.
